FUSION

Start with modern, artistic colors and add a beautiful yet subtle, metallic finish. The result is Fusion, a one-of-a-kind porcelain tile conceived for contemporary venues of today... and tomorrow. Fashionable and chic, Fusion functions perfectly in both commercial or residential environments.

All colors are available in the following sizes:

Chromium (noce)

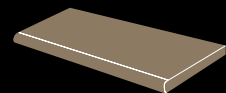

20" x 20"

13" x 13"

2" x 2" mosaic sheet

3" x 13" bullnose

6.5" x 6.5"

Chromium (noce)

Titanium (silver)

Nickel (beige)

Oxy Copper (gold)
